## MIDAS Training Checklist

To ensure that your MiDAS Training is carried out safely and fulfilling any legal obligations you are advised to check & confirm by ticking the appropriate box below & return to our offices:-

| Area:  | Description:  | Compliant: | Non-Compliant: |
|--|---|------------|----------------|
| Drivers Attending:   | Meets age &/or licence requirements   |            |                |
| Section 19 or 22 Permits Commercial Licence                      | Please indicate if your organisation holds any  |            |                |
| Medical Fitness to Drive   | Organisation confirms that the document INF4D Medical Fitness to Drive Booklet has been read.   |            |                |
| Minimum requirements for medical fitness to drive                | Organisation confirms that all drivers attending meet the minimum medical fitness to drive criteria as detailed in above documents.                             |            |                |
| Vehicle Dimensions:  | Drivers attending are licenced to drive the size of vehicle provided for training   |            |                |
| Vehicle Legality:  | Meets on road legal requirements:<br>Insurance, Tax, MOT, Tyres etc<br>UK Road Safety Trainers insured to drive organisations vehicles (see order confirmation) |            |                |
| Vehicle Safety:  | Fitted & Compliant<br>First Aid Kit<br>Fire extinguisher  |            |                |
| Local Authority:<br><i>Not applicable to all establishments.</i> | Ensure compliant with local authority regarding local requirements  |            |                |

Driving Standards  
ORDIT Register

Approved SAFED  
Trainer

Community  
Transport  
Association

Authorised  
MiDAS Training  
Agent

National Driver  
Improvement Scheme

Accredited Diploma

Failure to comply with the above may mean that when our team member attends to provide the training they may need to curtail the practical element due to failing to comply with any legal obligations relating to use of a minibus for the carriage of passengers.

Please consider carefully the above when completing the form and fax back to UK Road Safety Ltd when completed. This must be received before the day training is due to take place. If you have any questions please contact our office.

We \_\_\_\_\_ (organisation) confirm we have checked and take note of the above areas regarding MiDAS Training requirements.
